

## ASPEN

Aspen is a fully featured high quality walking boot designed for little feet. Just like our adult boots Aspen is manufactured with top grade materials to cope with rough terrain and bad weather. Perfect for anything from hiking in the holidays, to the winter school run.

The upper is made from a mix of natural split leather and lightweight synthetic textile and has a rubber toe cap for durability. Our unique Dry-Line® lining with Sympatex Moisture Tech® provides class leading waterproof breathable performance for comfortable dry feet in all weathers. Underfoot a quality Vibram outsole guarantees durability and has great grip on a wide variety of terrain. Grab a pair, lace them up and go and have an adventure!
